If the insurance information above is incorrect, the patient becomes responsible for any unremitted payments by your insurer to Dr. Marron.

FEE POLICY (Please Read Carefully)

I am aware that I am responsible for the **full payment of any appointment** for which I have not canceled by calling Dr. Marron's cell phone (917-608-8482) **and** emailing her at least 48 hours in advance (and for Monday appointments, by the previous Friday at 6:00pm.) Texting alone will not suffice. For managed care insurance patients, this includes co-pay PLUS insurance company's portion.

Furthermore, I understand that frequent cancellations will affect the availability of regularly scheduled appointments. And unless previous plans have been made, if I haven't had an appointment for 2 consecutive weeks, I understand that Dr. Marron will likely accept a new patient in my absence. This is to allow other patients an opportunity to begin therapy when there is an unexplained or prolonged absence by existing patients. For appointments canceled for medical reasons, you will need a physician's note explaining why.

In the event that I need to have contact with other professionals, family, and/or all others who are involved in your care, my pro-rated private fees apply for time spent in these calls/emails (not covered by insurance). They apply to any calls that last longer than 10 minutes. If emails are required related to your therapy and/or due to unresolved insurance issues, there may be additional fees applied here as well.

Student Patients: For parents who decide to cover therapy payments, for clinical and administrative purposes, **all payments must be made by the patient him/her/their self at each visit**. If parents are involved financially, please make arrangements to manage funds with your child prior to beginning treatment.

<u>For both Private pay and Insurance Patients,</u> full fee or copayment is due *on the date of service* by Zelle. Failure to submit such payment during the week of your session will create an additional fee of $5 for that week as a late payment penalty. This is separate from your insurance payment.

Thank you.
